Search Advertising

The right strategy paired with the best technology consistently outranks the competition and gets your dealership in front of buyers.

Choose the campaigns that make sense for your dealership.

- Make
- Parts & Service
- Model
- Conquest
- Dealership
- Commercial
- Location-specific
- Financing
- Brand Lease
- Used
- Model Segments
- Certified Pre-Owned

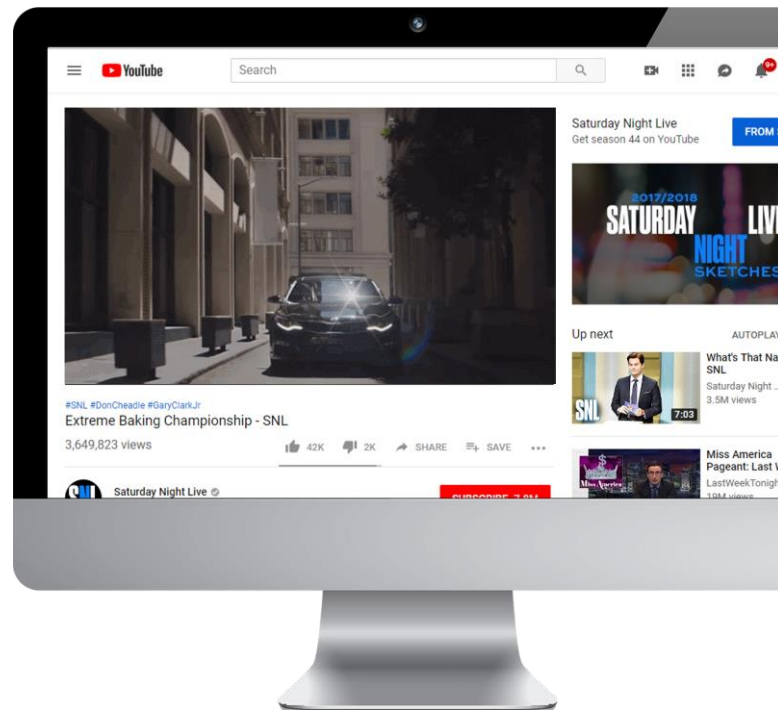

Dynamic Video

Advertise with unique, model-specific videos featuring in-stock inventory and up-to-date pricing.

Dynamic, inventory-based video advertising syncs with the inventory on your website, using live data to refresh your video content at scale.

- Model-specific videos with current inventory and incentives
- In-market audiences
- Remarketing campaigns

OTT/Connected TV

Enjoy all the benefits of traditional TV advertising but with added control over who sees your ads and how often.

Get highly-specific with your audiences by focusing on key demographics, interests and intent, custom-segments, and retargeting.

Feature your video advertising spots on hundreds of the highest quality publishers and marketplaces across the connected TV ecosystem.

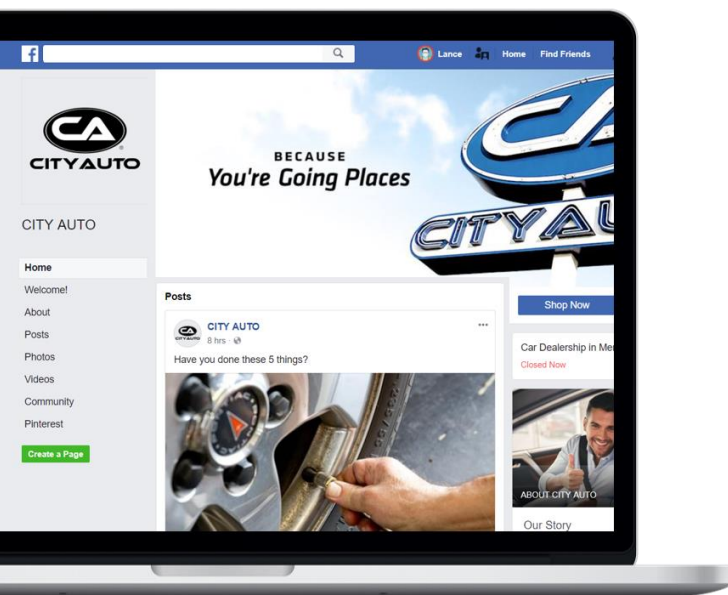

Dynamic Search & Display

Advertising should prioritize conversions, not clicks. That's why with Adpearance advertising you get the best in both lead tracking and strategy. Technology is included—it's all one rate with no setup fees.

Dynamic Search Tech™ allows you to run ads for every piece of in-stock inventory. New or used. All listed in your advertising—automatically.

Dynamic Display Tech™ serves car shoppers display ads featuring the exact vehicle they viewed on your site—just like ecommerce.

Social Media Advertising

Create trust and influence buyers. Combining active management, dynamic inventory ads, and smart strategies, our social media advertising makes sure you won't be missed.

Meet your audience where they're at and advertise on the platforms that are the best fit for your dealership.
